## DEPARTMENT OF RURAL DEVELOPMENT

### NOTIFICATION

The 28th/30th July 2012

No. 3246—28185301032012-RD.—Government after careful consideration have decided to adopt the following procurement procedure for Drinking Water Supply Scheme and Tube Wells under Department of Rural Development.

1. There shall be composite contract for execution of Piped Water Supply Schemes which will include procurement of PVC pipes and other items required for the project through a transparent bidding process. This will include items covered under EPM rate contract like PVC pipes, hand pump and HDPE pipes and non-EPM rate contract items like fittings, electrical goods like cables, stabilizers, etc. The contractor will procure all these items as per the agreement once his bid is accepted.

2. Procurement of pipe and other materials for Tube Wells will continue to be done by the Chief Engineer, RWS&S as per annual procurement plan and production capacity of different manufacturers registered with EPM.

3. Henceforward the process of procurement of stock and store of different size of pipes of RWS&S Divisions for execution of Piped Water Supply Schemes will be abolished.

This will come into force from the date of issue of this Notification.

By order of the Governor
